Re: Year 13 Examinations 2018/19

Dear Parent/Carer

This letter is to inform you of the dates, times and arrangements for the mock examinations and intervention sessions that will be taking place in the second week of the spring term - 14-18th January 2019. Year 13 will be sitting mock examinations in all their subjects in preparation for their final examinations in the summer.

As you will appreciate these examinations and assessments will contribute to the school's decision whether your child will be entered and therefore need to be prepared for with thorough revision over the next few weeks. Full attendance is expected and the school will require medical evidence for any absence, otherwise it will be unauthorized.

Your child's teachers will be providing them with revision materials and resources in preparation for their examinations. As these are mock examinations the subject matter covered will be similar to that required in the summer examinations and further details can be obtained from the relevant exam board website.

Students need to develop a range of revision skills which have been shared with them and are available on line. If you have any questions about the examinations or the intervention then please contact Mrs. Bowers, Y12/13 Progress Leader.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'K Sexton'.
