Dear Parent/Carer,

**Re: Summer Examinations 2019**

I am writing to make you aware that in preparation for the forthcoming examinations, the school will be open every Saturday 9.30am-2pm for independent study and to access on-line revision resources.

We have found that students benefit enormously from a concentrated period of revision, free from distractions and in the company of similar students. The opportunity to focus on particular areas of difficulty in small groups is especially useful.

ICT rooms and quiet spaces will be available for your child to study if they are not in a dedicated intervention session or in an examination.

Yours sincerely
