

15<sup>th</sup> March 2019

Dear Parent/Carer,

**Re: Easter Holidays Revision 2019**

We are organising Easter Revision Courses to assist students who would benefit from extra tuition over the holidays.

The following subjects will be available: Mathematics, English, Science, Spanish and History. They will take place at Chesterfield High School during the first week of the Easter break (timetable is overleaf). The study time will be in three hour sessions and these have been tiered or focussed on particular groups of students to ensure we maximise the impact of the work the students undertake. Morning classes begin at 9am promptly and afternoon classes start at 12 noon promptly, unless stated on the table. The classes will be very intensive and examination-orientated, workshop sessions and examination practice.

We have found that students benefit enormously from a concentrated period of revision, free from distractions and in the company of similar students. The opportunity to focus on particular areas of difficulty in small groups is especially useful.

Please complete the tear off slip informing us which sessions you wish you child to attend. In some cases you will be contacted by members of staff who feel it is necessary that your child attends a specific revision session to ensure they achieve their target grade in the summer exam period, or if you would like further information, please contact Miss R Moore.

Yours sincerely

Ms C M Bowers  
**Upper School Progress Leader**

MONDAY 15TH APRIL		<b>BIOLOGY</b> (Paper 1) 11hsc1 & 11hsc2 - S7 - SSW
* INDICATES THE SUBJECT IS OPEN TO ALL STUDENTS		

## Weekly Intervention

Your child has been allocated a weekly interventions timetable for subjects they have requested them. This timetable is on the KS4 weekly newsletter available on the school website every week.

The Year 11 support plan is also emailed out to students and parents every Friday. Please ensure that you check this with your child so you can support them with their intervention and revision timetable.
