

April 2019

Dear Parent/Carer,

Re: April/ May Half Term Revision Courses 2019

As you will be aware from earlier mailings and website articles we are organising April/May weekend intervention support for year 11 students.

- School is open every Saturday between 9.30am-2.00pm for independent study and for access to on-line revision resources.
- Focussed Revision session before exams (see timetable attached)
- May/June Half term revision courses 9.00am-3.00pm (see attached)

These are to assist students who would benefit from extra tuition in the final push before examinations. The students have been working extremely hard to attend these sessions and this mailing is to give them plenty of time to put these sessions in their revision plans. Also, it is to ensure they are fully prepared and are successful in achieving the grades they deserve.

We have found that students benefit enormously from a concentrated period of revision, free from distractions and in the company of similar students. The opportunity to focus on particular areas of difficulty in small groups is especially useful.

Please email or phone us stating which sessions you wish your child to attend. In some cases you will be contacted by some staff who feel it is necessary that your child attends a specific revision session to ensure they achieve their target grade in the summer exam period, or if you would like further information, please contact Miss C Bowers or Miss Moore in the Year 11 office.

Students are legally expected to attend school full time up until their last examination. As you will see from the timetable their timetables are pretty packed with exams and exam intervention sessions right through to the 14th June 2018. **Students attend their normal lessons if they do not have any examination at that time unless a dedicated intervention session has been arranged for them.**

ICT rooms and quiet spaces will be available for your child to study if they are not in a dedicated intervention session or in an examination.

Yours sincerely

Ms CM Bowers
Upper School Progress Leader
